## December 2025, Vol. 36

### President's Palette

For the month of November, we had a fantastic presentation by artist Joe A. Oakes. His dramatic mountain landscapes were amazing and the information he shared on his bold and vibrant color techniques and methods were very informative. I hope his presentation motivates our members to try out new color and painting techniques to create new artwork to share at the monthly shows.

We are thrilled that we have added new members in November. Last month, we had two (2) new members sign-up to join YVAA. We would like to welcome our new members. New members enrolled through our website via our online membership page. This is an indicator of how our website is vital to our ongoing efforts to get the word out about our great organization.

Our Winter Art Exhibition at the YPAC was very successful. Not only did we host an artists' reception on Nov. 13<sup>th</sup>, but we had a second showing on November 29th. The member response and entries for the Winter Art Exhibition was very positive. We had 8 artists submit artwork and photography entries for this exhibition. Partnering with the YPAC to exhibit art to the public has been very beneficial and provided us with more visibility and exposure to showcase our member art in the community. This holiday season I am grateful to be part of the YVAA team of volunteers that are passionate about art and give a helping hand to promote art for the community to enjoy! Thank you to all the YVAA volunteers who have helped make it possible.

*Have a Wonderful Holiday Season!*

Zully Martinez, President

## November's Featured Artist

Joe A. Oakes gives a live demonstration on his color process.

For the month of November, the featured artist was west and southwest artist, Joe A. Oakes. Joe Oakes' landscapes of the West and Southwest are about the joy of nature and the colors it offers us. He paints with colors that evoke feelings of the first brilliant seconds of sunrise and the last fiery moments of sunset. Expressing those feelings through the use of bold, vibrant highlights and shadows of violet hues is his signature style. He paints tributes to the mountains, canyons and valleys in the hopes it will slow us down long enough to appreciate them. For Joe, every painting is a challenge to examine the colors of the world and reconnect with nature. His work offers a meditative sense of calm and happiness, with a profound reverence for the land. Each painting is a tribute to the mountains, canyons and valleys of the West and Southwest.

At the November monthly show, Joe demonstrated how to start with a vivid and bold color on his canvas and then he sketched in his shapes. He explained his color choices in his palette which he used to create contrast, shapes and shadows in his landscape painting. He also showed the audience how to create a dramatic sky using light purple shades of color. His painting and color techniques create very dramatic landscapes that are visually outstanding.

Joe holds a BFA from CSU, Fullerton and his awards include: Third Place, "Sears Invitational", Utah Tech, 2024, Best in Show, "Nature of Color Show" Art Brut 27, 2020, First Place, "Visions", CCMA, Ontario, CA, 2019. His work has been included in many museum shows including, Arts Thrive, Albuquerque Museum, Sears Invitational, Sears Museum at Utah Tech and Art in the West, High Desert Museum, Bend, OR. And published, most recently, in Artists Magazine's "Acrylic Works 12 - The Best of Acrylic".

Oakes resides in SoCal, California. For more information about Joe Oakes and upcoming workshops, visit his website at: <http://www.joeaoakes.com/> Follow him on Facebook <https://www.facebook.com/JoeA.OakesFineArt/> and Instagram [@joeaoakesfineart](https://www.instagram.com/joeaoakesfineart/)

## YVAA Fundraising

YVAA's fundraising efforts help to support our goal to promote art in our community. As a 501c non-profit organization, YVAA relies on membership subscriptions, art shows and fundraising efforts to keep us going and to support scholarship awards each year. In recent years, YVAA has experienced some funding cuts from city grants and increased rental facility fees for the Scherer Center. For these reasons, YVAA continues to promote fundraising activities and/or events that help us support our operating costs and fund our student scholarship program. How can you help? Consider donating to our scholarship fund or our general operating fund or through other fundraising events throughout the year.

Support our student scholarship program by making a donation to YVAA. Graduating seniors receive scholarship awards June of 2026. There is plenty of time to donate. Click the donation form to contribute. Click here to download the: [Scholarship Donation Form](#)
